### MRS. JEROME PASSES

Resident of Spring Glen Dies Suddealy At Omaha, Nob.

e United States Senator Davis of Illinois, in speaking of a newspaper's value to a community, made these truthful remarks: "Every local paper gives from two hundred to a thousand dollars in free lines to the city in which it is located in boosting, praising, and, churches, schools and societies. No other agency can or will do this. The editor, in proportion to his means, does more for his should be supported, not because you like and admire him and his style, but because the local newspaper is the best investment a year make. Today the newspapers are doing more for less pay than anything on earth and it is a fact in many cases of free noouncements, stc., they are not even thanked for what they do."
